	3. Results of Official Agency Testing Administered by Clerical Induction. The results of the tests administered to the entrance-on-duty employees for the week of 15 October were as follows: 25X1				
	Shorthand Typewriting	Tested	Qual	ified	
4. <u>Installation of Public Address Systems</u> . The permanent public address systems were installed in rooms 400, 401, and 501 last week. This is a great improvement over the make-shift apparatus used to date. We hope they will alleviate the instructors of some of the strain of lecturing in competition with the construction noises outside the building.
